

Selection of bodies implementing financial instruments under ESIF

Selection of bodies implementing financial instruments on the basis of exceptions foreseen by the Directive 2014/24/EU and the TFEU

Carole Mancel-Blanchard, DG REGIO

Selection of bodies implementing financial instruments on the basis of exceptions to Public procurement rules

A- Situations falling outside public procurement rules

1. EIB
2. EIF
3. International Financial Institution (IFI)
4. Cooperation between contracting authorities
 - In-house relation
 - Inter Administrative Cooperation

1 EIB

Direct award of a contract from a managing authority/ IB to the EIB is possible

- EIB created by the Treaty
- Public procurement Directive does not apply in relations between MS and EIB

Selection of financial intermediaries by the EIB

If a contract is concluded with EIB for the implementation of a Fund of Funds EIB will select financial intermediaries

- Application of EIB internal rules on selection
- Application of the criteria of Article 7 CDR

MA/IB

EIB

**Financial
Intermediary
implementing a
specific financial
instrument**

**Financial
Intermediary
implementing a
specific financial
instrument**

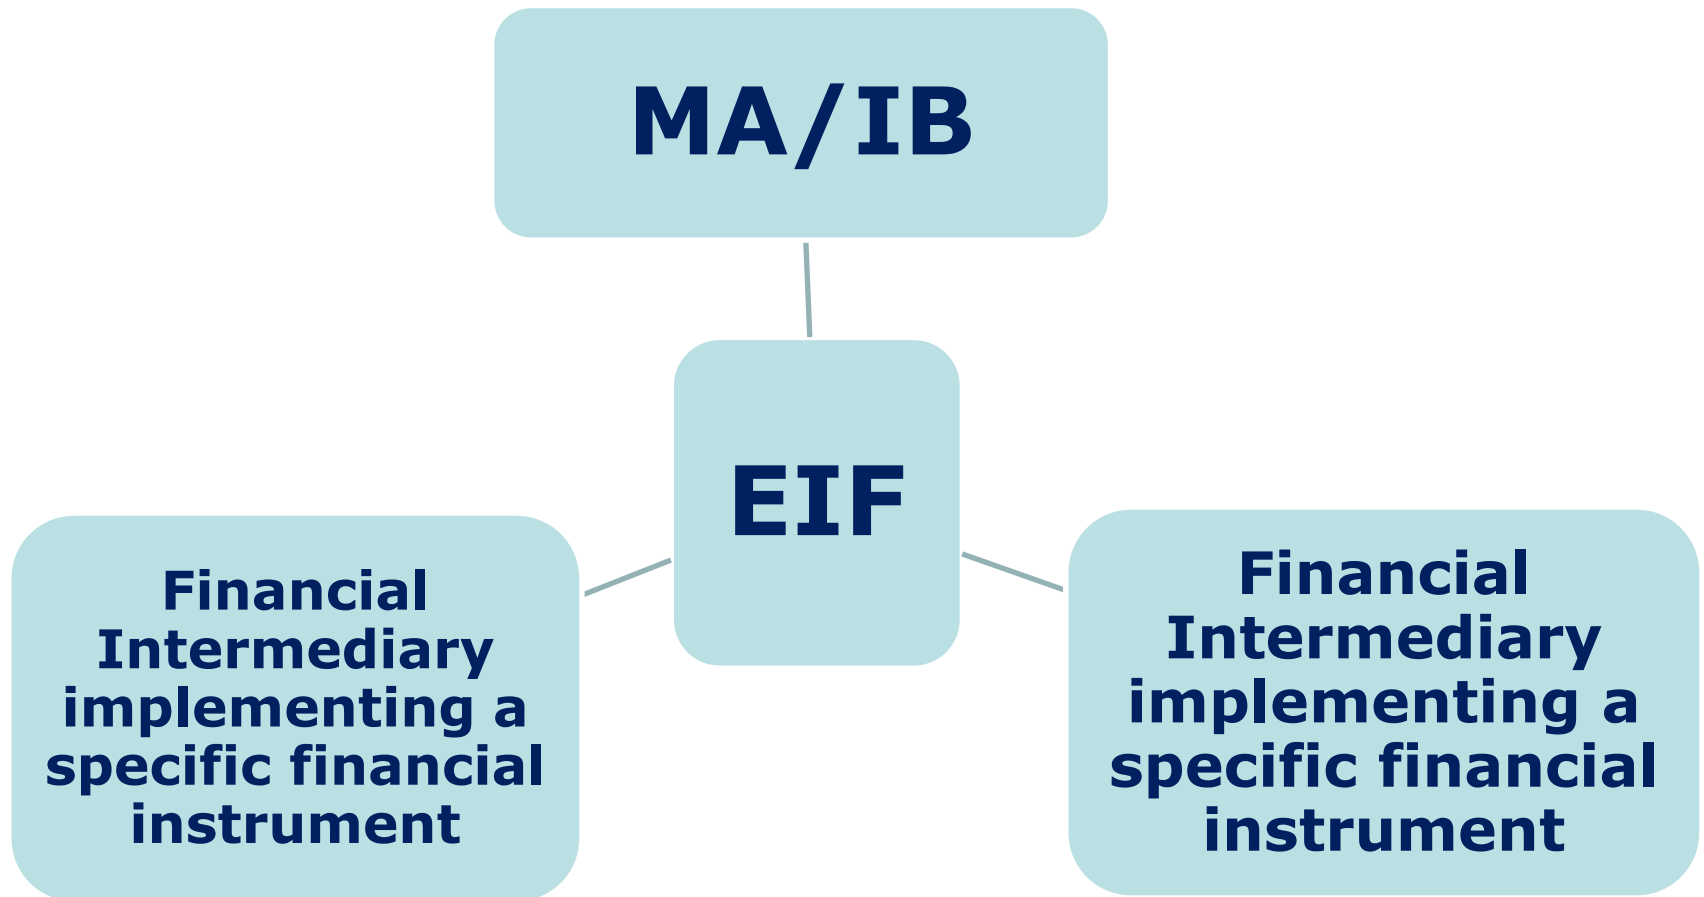

2. The EIF

Direct award of a contract from a managing authority/IB to the EIF is possible

- Treatment of EIF analogous to treatment of EIB

Selection of financial intermediaries by the EIF

- Application of EIF internal rules on selection
- Application of the criteria of Article 7 CDR

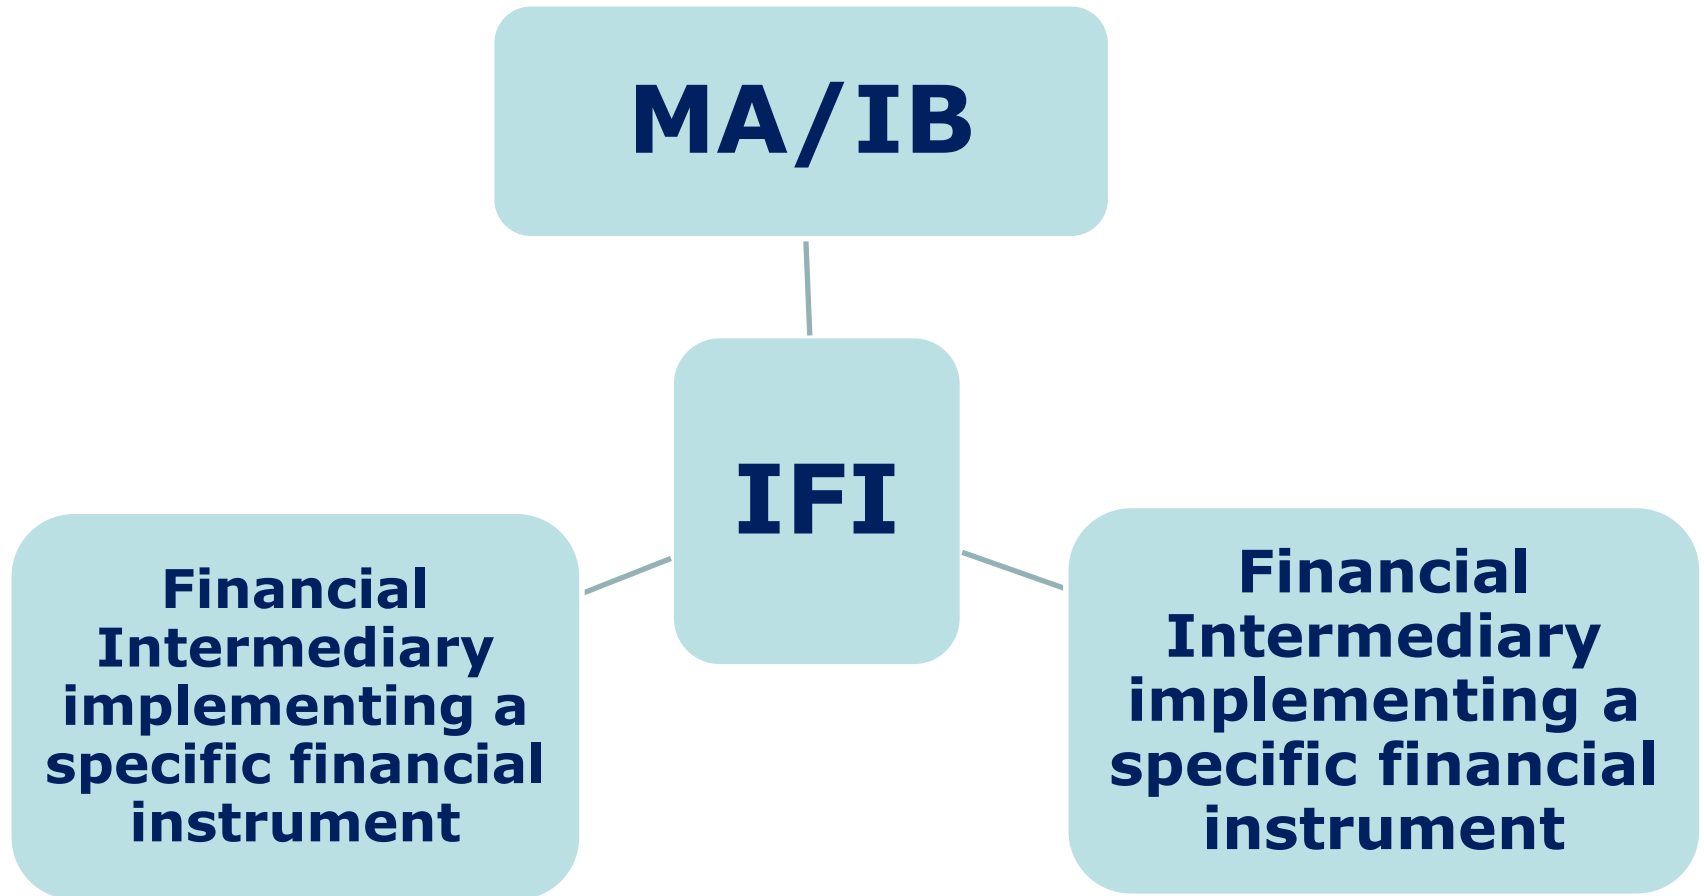

International financial institutions (IFIs)

Direct award of a contract from a managing authority/IB to an IFI is possible if:

- the MS is member of the IFI
- implementation of Financial instruments falls within the scope of the statutory mission of the IFI
- IFI fulfills the criteria of Article 7 DA

Selection of financial intermediaries by IFIs

- Application of the IFI rules on selection
- Application of the criteria of Article 7 DA
